Was the universe created by a mathematical mind?

In 1932, Sir James Jeans, an astrophysicist siad: "the universe appears to have been designed by a pure mathematician."

A special offense related to drinking is alcohol－impaired driving of motor vehicles and the resulting high rate of accidents，with fatalities， personal injuries，and property damage．Alcohol，for example，is involved in about one－third of the more than 50,000 annual road traffic fatalities in the United States，in possibly 500,000 injuries to persons，and in more than $\$ 1,000,000,000$ worth of property damage （1／449）．

 Bhopal, April 20 (UNI): The Muslim Women (Divorce) Bill introduce in the Lok Sabha does not contravene the Sharia says a wellknown Islamic theologian. Maulana Waheeduddin Khan head of New Delhi based Islamic centre told newsmen here today that Islam held women in high esteem and provisions in the Shariat clearly define the status of Muslim women. The protection provided to Muslim women would be further strengthened by the Bill when it becomes law, he added. Referring to the Shahbano case, the Maulana said it was more a social than a legal problem. He said that the maintenance provided by the Supreme Court to Shahbano would not be sufficient. If the issue had been decided through arbitration, Shahbano would have had a better deal, he said. The Maulana said former Chief Justice Chandrachud had misquoted from the Wades in the Supreme Court decision. "The reference to women as the rib of man has been misquoted by the learned judge.' "The comparison has been done to point out to Muslims that a woman was like a rib which would break if straightened out. Thus a woman should be respected and loved as you love your body.", the Maulana explained claiming that it was not a reference derogatory to the fair sex. The Maulana said it was wrong to say that the Shariat or the Muslim personal law was not codified.

## MUHAMMAD <br> The Prophat of Ravolution

## MUHAMMAD

The Prophet of Revolution

By

Maulana Wahiduddin Khan
In making the Prophet Muhammad the greatest figure, and consequently one of the most resplendent landmarks in human: history, God has bestowed his greatest. favour on mankind. Whoever seeks guidance cannot fail to see him, for he stands out like a tower, a mountain on the horizon, radiating light like a beacon, beckoning all to the true path. It is inevitable that the seekers of truth will be drawn up to the magnificent pinnacle on which he stands.
